Walter
Well English was pretty good after all during the summer so I don't see ya, Doral miss your teasing!
Hope you and Bobby get a better homeroom next year!
Be good, and much luck in all that you do.
Have a truly great summer.
See ya next year.
Love
Jeanne (Debbie!)

Good luck in future years and if I'm not around the it will be good luck

FOREWORD

Youth is the living force of growth and progress . . . It urges the student to his books, the apprentice to his trade, the clerk to his office, and takes a thousand shapes to suit every ambition. It lightens poverty, hard work, danger, and self-denial. Youth has always something worthwhile in view. It faces the sun, and shadows disappear from sight. It keeps climbing, sure that it sees the top. It is the true Greek fire that no waters can quench.

—Dr. Carl C. Jung

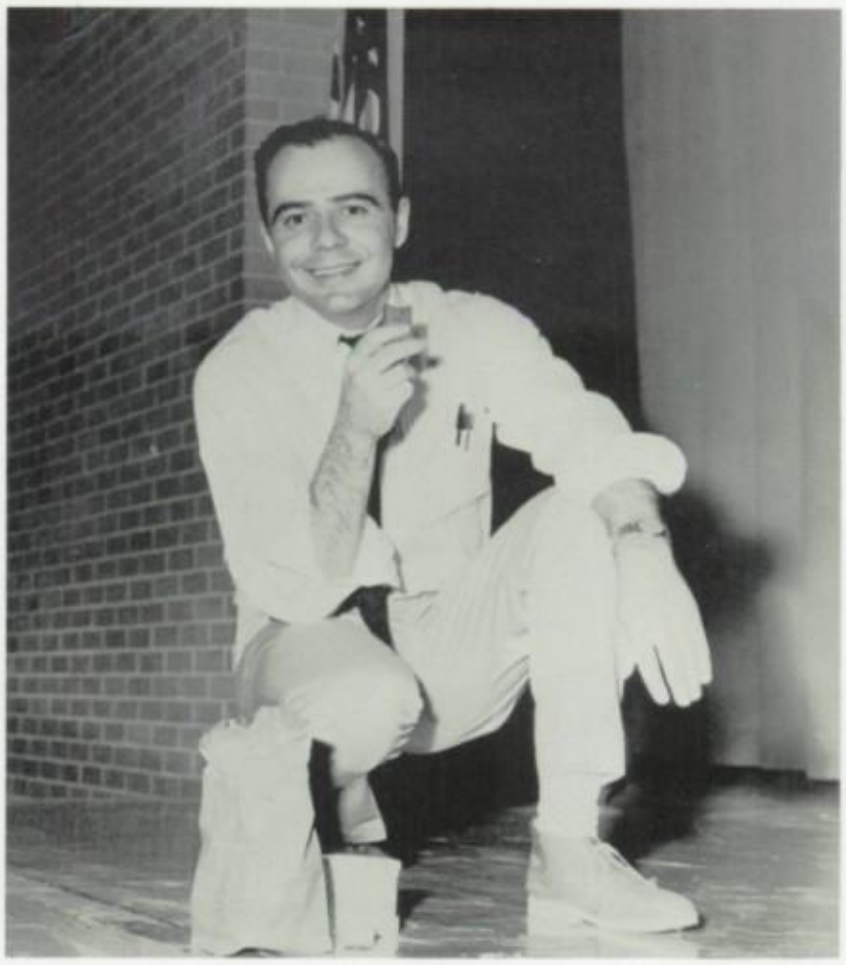
DEDICATION

We, the members of the Class of 1965, dedicate this yearbook to an individual whose high standards in life have often led us to reassess our own personal values. As a teacher, he has given his time unsparingly to help us learn to express ourselves, to appreciate the ideas and feelings of other people, and, perhaps most important, to strive for excellence. As a patient and understanding friend, he has instilled within us a greater respect for ourselves as young adults. We express our gratitude to a man who has greatly enriched our lives, Mr. Bruce Mooney.



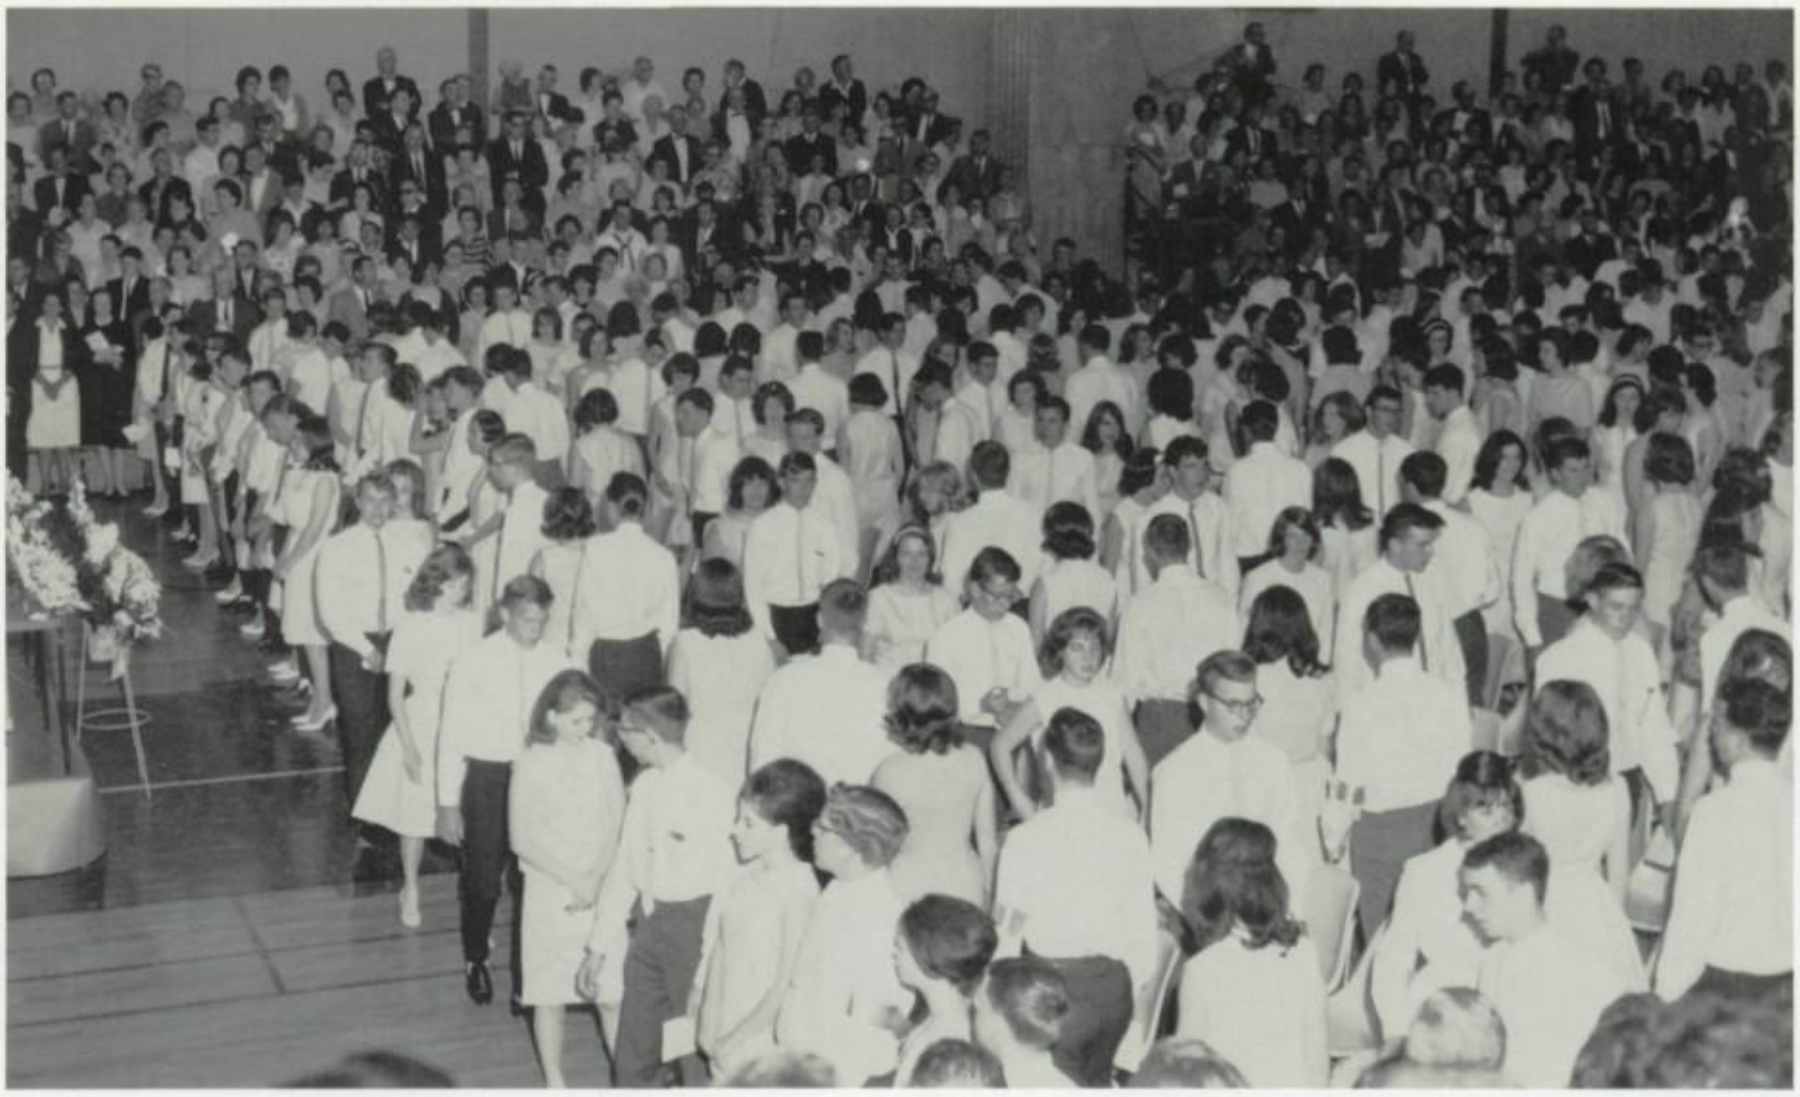
AND ENRICHED OUR LIVES . . .

Mr. Mooney came to North Shore five years ago, with not only an extensive educational background, but also an outstanding record of personal achievements. After having received his B.A. and M.A. from the University of North Carolina, he taught in Durham for three years. For two summers, he worked as the stage manager and musical director at the Durham Star Playhouse. Adept at writing as well as directing, Mr. Mooney wrote a musical, which was presented by the drama department of the University of North Carolina.

Since 1960, Mr. Mooney has enthusiastically shared these talents with the students of North Shore. As an English, Speech and Drama teacher, he works full time to make his classes interesting and challenging as well as informative. He instills within his students a greater appreciation of the Arts and, even more important, a strong desire to learn. The students feel they must do their best, for they "cannot let Mr. Mooney down."

However, the students have come to know Mr. Mooney on more than a student-teacher basis, for he has contributed greatly to the extracurricular activities program of the school. He not only supports many of the sports events, but also acts as announcer for a large number of the games. As the organizer and director of the Viking Masquers, he has devoted innumerable hours to help the members produce many shows, including *L'il Abner, Bye Bye Birdie, Kiss Me Kate,* and the annual Variety Show, "Capers." In addition, he has sponsored the Playreaders Club and the Drama Club. During the summer, Mr. Mooney takes on the added responsibility of supervising the Summer Theatre Workshop. Moreover, to enable students to go to the theatre, he spends a great deal of time taking them into New York City.

Thus, it is easy to see why the students of North Shore love and respect this man. He understands their hopes and their needs; and they in turn recognize his great skill and devotion to them. to the teaching profession, and to the theatre.



IN SHORT, WE BUILD "FABRICS OF THE LIFE STRONG ENOUGH TO

Perhaps the one day most treasured by the students of North Shore is Moving-Up Day, which was introduced by Mr. Furlong twenty-four years ago. On this special day in late spring, the entire student body gathers in the gymnasium, with the Freshmen dressed in green, the Sophomores in pink, the Juniors in yellow and the "grand old Seniors" in white. After awards have been distributed and the yearbook presented, with nostalgic thoughts and, in many cases, eyes filled with tears, the students slowly "weave in and out the rows", singing the Moving-Up Day song until they have "moved up" to the rows which the class above had filled. The underclassmen then file outside and form a gauntlet through which the Seniors pass. At this time, the outstanding senior is "tapped", receiving the highest honor at North Shore. Moving-Up Day is a time of reflection upon the year gone by, but, even more important, it is a time of anticipation of the years to come.

MOVING-UP DAY SONG

Proudly march the under-classmen,
Through the rows they filled last year;
Wending upward, rushing onward,
Toward the goal each term brings near.

Weaving in and out the rows,
Every class now slowly goes;
Symbolic of our lives ahead
As the shuttle weaves the thread—
Building fabrics of the life,
Strong enough to stand the strife.
Onward, onward, ever on,
'Till the cloth of life is done.

Sadly march the stately senior,
To the doorway down the stair;
Soon to start another pattern
In the fabric started there.

STAND THE STRIFE."

ADMINISTRATION

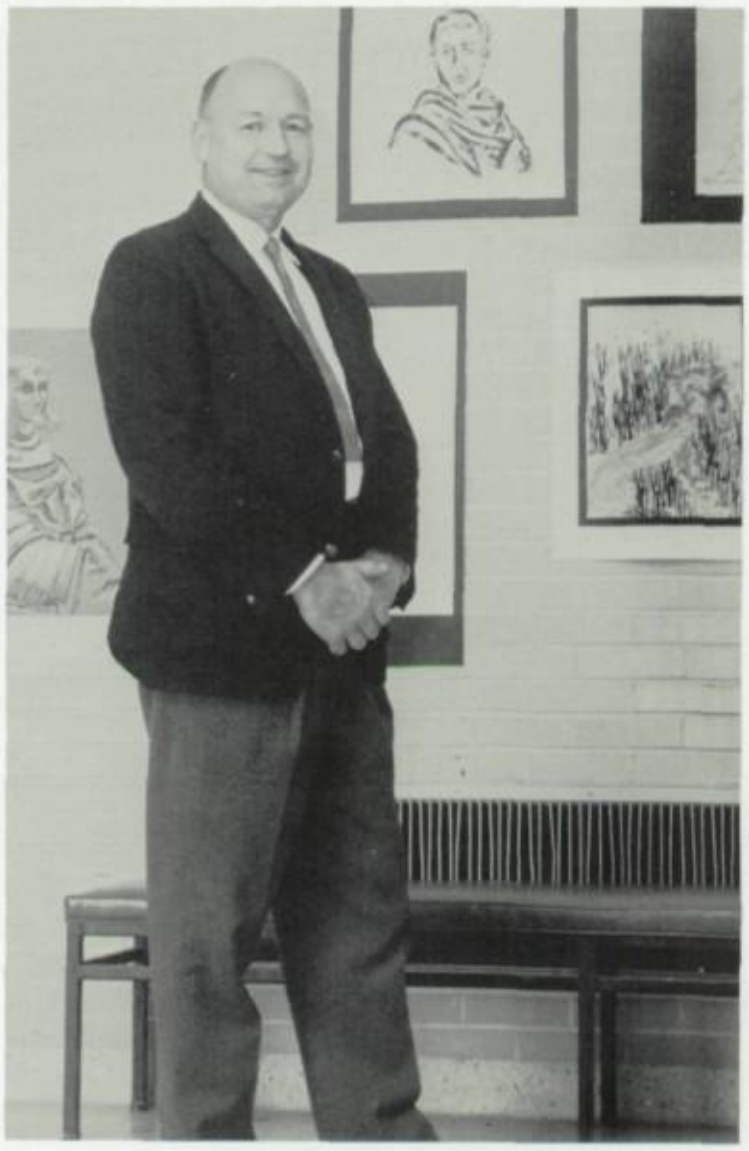
DR. JOHN E. FRENCH

The varied duties of our principal, Dr. John E. French, are important to the administrative functioning of North Shore. His work consists of such tasks as calculating class enrollments, hiring the teaching staff, establishing and coordinating curricula, and setting school policies. Because Dr. French feels that it is important to keep in contact with the students as well as with the faculty, he has taken on the added responsibility of a homeroom.



MR. SVEN ROSENGREN

The duties of the assistant principal, Mr. Sven Rosengren, are demanding, time consuming and rewarding, for it is his job to assist in running the school as well as in enforcing discipline. During the summer his responsibilities include being the principal of the summer school program. His activities are invaluable to the functioning of the high school.

DR. ARTHUR B. SHEDD

Dr. Arthur B. Shedd, new Superintendent of Schools, came to us this year from a similar position in Clarence, New York. Dr. Shedd holds the position of the chief administrative officer for the local school district. He is the representative on the local level of the State Education Department and is responsible to the Board of Education, which, in turn, is elected by the tax payers.

BOARD OF EDUCATION, Left to right: STANDING, H. Westlake, C. Kroetz, D. Siegel, G. Reid, R. Gamble, R. Furlong, A. Shedd. SITTING, J. Martin, J. Collins, V. Hohenrath, G. Heimer, S. Levine, R. Fulton. MISSING, J. Perry and E. Coffin.

BOARD OF EDUCATION

The Board of Education, consisting of nine trustees, is elected by the residents of the school district. Each member serves a term of three years. The Board is legally responsible for the operation of the school district, the hiring of personnel, the fixing of salaries and the determination of the courses of study. A budget for the fiscal year is submitted by the Board for the approval of the voters at the annual meeting in May. If approved, the trustees levy a property tax to raise the money for the operation of the district for the coming year.

MISS McCORMACK

GUIDANCE

The aim of the Guidance Department is to assist in the general educational goal by helping each student to fulfill his individual capabilities. Guidance plays a large role in the development of today's youths into tomorrow's adults by helping each student to understand himself and his potentials, and by assisting him in his search for a place in the world.

ENGLISH

This year the members of the English Department have continued their successful program of giving the student a greater appreciation of literature and a better working knowledge of our language. The same course of study as followed in past years (Freshman, mythology and folklore; Sophomores, world literature; Juniors, American literature; and Seniors, English literature) has been changed somewhat by a shift in emphasis to a linguistic approach to the study of English, resulting in a more intensive study of composition style and technique.

MUSIC

The role of the Music Department is a very important one. The various choruses along with the Concert Band and Orchestra perform in school concerts and at assemblies and represent North Shore at All State. Last fall the Marching Band, which provides entertainment at halftime during the football games, participated in the Hofstra Music Festival. The members of the Music Department also offer instrumental lessons and courses in music theory and appreciation.

BUSINESS

The Business Department offers a full program beginning in the freshman year. Bookkeeping, stenographic subjects, and general office work, with an emphasis on machine operating, provide invaluable experience for anyone planning for a business career. Specialized courses, such as business law, office management, retailing, and secretarial practice, are also available. Practical courses in typing and shorthand are offered to all students.

MISS SOLLECITO

This year North Shore's Language Department has continued its program in French, Spanish, German, and Latin. In the courses in modern languages the students learn to speak, read, understand, and write the language and become acquainted with the cultural and literary heritages of other nations. Latin, the only classical language offered, provides a bridge between our civilization and the ancient cultures.

PHYSICAL EDUCATION

Three aspects of physical education are emphasized by the North Shore Physical Education Department. The first is instruction in the scheduled class period. The second includes the intramural programs of sports and games, open to all students. Finally, there are inter-school sports activities. All three are fundamental to the physical well-being of our students and the development of good sportsmanship.

MISS MAPLE

MISS LORIMORE

LIBRARY

North Shore's library has been continually growing in its value to the student body. This year our library consisted of 13,000 volumes, both for research and for pleasure. A new microfilm reader and magazines to be used with it have been added to the lists of audio-visual aids.

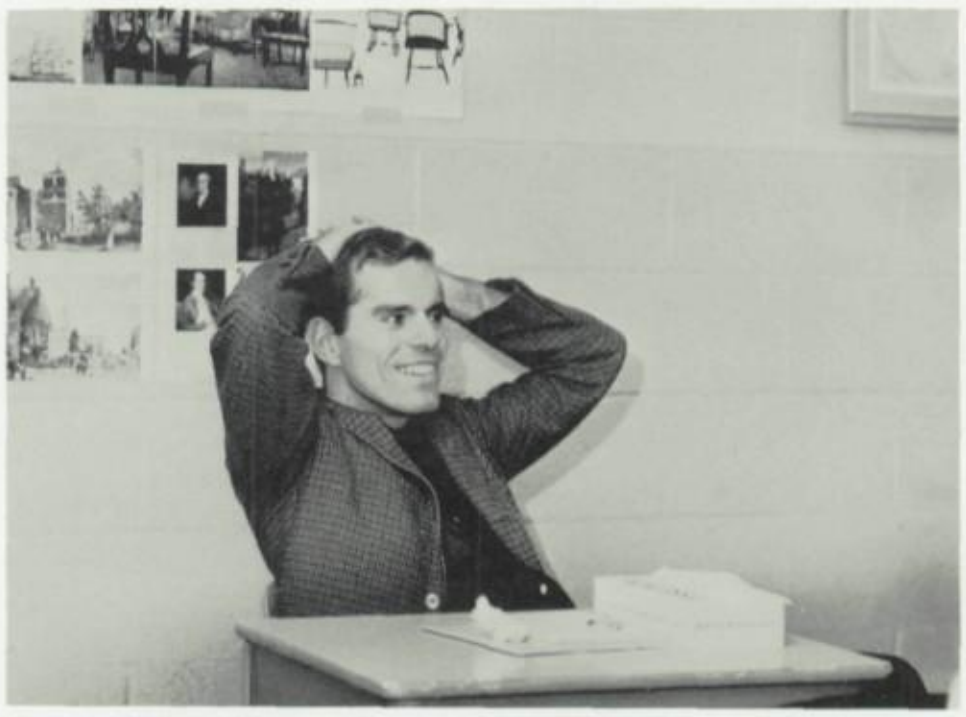
SOCIAL STUDIES

MR. BARNA

MISS TIBBITS

MR. PARKER

MR. PAPPAS



MR. HENDERSON

The Social Studies Department attempts to create in each student a knowledge and understanding of the progress of ideas throughout history. The freshman course emphasizes geography and ancient history, and to these in the sophomore year is added world history. In the junior and senior years American history is taught, with an emphasis on current events. Last fall, for instance, many North Shore students participated actively in the election campaign.

DR. HARTMAN, Curriculum Associate

MR. MEYER

MRS. LAMBERT

HOME ECONOMICS

The aim of Home Economics is to develop the individual, by helping students contribute to their present family life, and by preparing them for the home responsibilities of adulthood. A wide variety of courses, which are open to both girls and boys, are offered. Courses such as Homemaking I, Child Development, and Home Nursing involve family relationships, child care from infancy to adolescence, and the care of invalids. Homemaking II and Advanced Clothing teach interior decorating and the buying and making of clothes.

ART

The program in art stresses breadth and diversity of media and technique. Students may study drawing, design, painting, sculpture, print-making, ceramics and art history. In addition, there are opportunities to study several of these areas in depth to achieve substantial mastery of at least one or two areas of artistic expression.

MR. DIAMOND

MR. CHILCOAT

MR. DRISCOLL

MR. CLARK

INDUSTRIAL ARTS

North Shore's Industrial Arts Department offers students opportunities for developing practical skills and learning vocational training. Besides the general shop course, specialized courses are offered in electrical theory, machine shop, wood and metal working, and auto mechanics. Mechanical and architectural drawing courses are available for students planning to become engineers, technicians, and architects.

MR. NICOLINO

Mr. Krawitz watches as members of the Co-op program sign out to leave for work.

CO-OP

This year North Shore has introduced a two-credit Co-op program. Under the program, participating students spend half the day in a training operation in a field of business in which they are interested. They are under the supervision both of the school and of the business manager at the firm where they are employed.

MATHEMATICS

The Mathematics Department strives to teach the student basic mathematical principles and to develop a mathematical way of thinking. The mathematical courses offered to the freshman are General Mathematics or Elementary Algebra. In the sophomore year, the course of study consists of Geometry or Math 10, a course which includes geometry and trigonometry. The following year, Intermediate Algebra is offered, and in their senior year, students may take a course in the basic fundamentals of advanced algebra and solid geometry.

DRIVER EDUCATION

Driver Education is a half year course requiring two periods of driving and two periods of theory a week. In this course, students acquire not only driving skills but also a thorough knowledge of the basic mechanics of the car and an understanding of the importance of safety. This year's driving instructors were Mr. Meyer, Mr. Nelson, Mr. Schiffer, Miss Tibbits, and Mrs. Trauth, who also taught theory.

LIFE AS A SENIOR

"We love you, yeah! yeah! yeah!"

Left to right: Treasurer, Jean Moehring; President, Jeff Hollman; Secretary, Jane Cummings; and Vice-President, Artie MacMillan.

OFFICERS

In early September the Senior Class selects four officers to lead its activities. Each officer takes upon himself certain responsibilities. The president conducts class meetings and acts as the major link between faculty and students. In a more direct relationship with the students, the vice-president takes charge of the Senior Lounge.

The secretary must handle all paper work, which includes memos to students and correspondence with the administration. The treasurer is in charge of collecting class dues and running the magazine drive.

Working after hours in the Senior Office.

"Take a letter Miss Cummings."

Supersales girl, Judy Anderson, enthusiastically counts all the money she brought in.

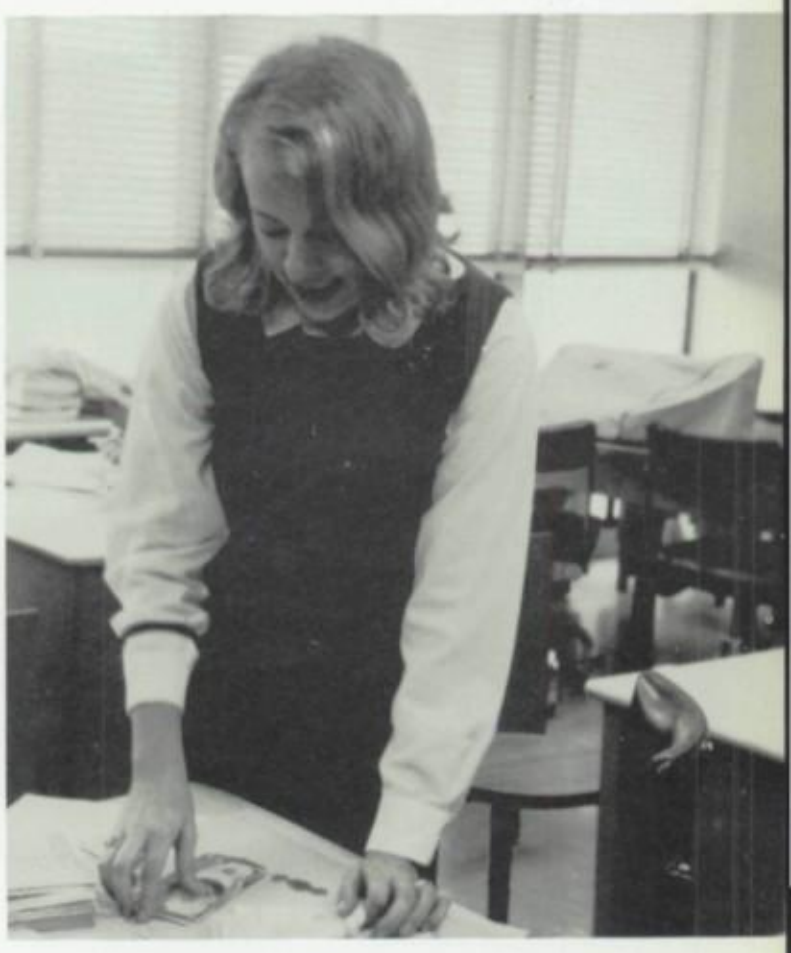
MAGAZINE DRIVE

"But PLAYBOY wasn't on our list!"

"We made it!" the familiar cry heard every year at the end of the magazine drive, was heard not only once this year, but twice. The seniors had two goals, both of which were reached. First of all, they successfully passed the class quota of $12,350. The second goal, set up by the seniors themselves, was to surpass the total reached by the class of '64. They achieved this goal, $14,039.05, the highest total ever reached in the school.

The three high sales representatives this year were Judy Anderson, Sandi Barton, and Pam Calvert. The grand prize winner, whose name was picked out of a hat containing the names of all students who met their individual quota of $50, was Leslie Teich. As a result of the efforts to earn money for their class trip to Washington, the seniors were given a big orange *Look* toy dog, which has become the class mascot.

Mrs. Mac supervises money counting as Patty Kicinski runs over her homeroom's totals.



Susan Glenn smiles with relief upon finding she is not short any money.

SENIOR PLAY

Two revolving stages were a special feature of the Class of '65's presentation of *Tall Story*, a comedy by Lindsey and Crouse. Designed by Artie MacMillan, these stages allowed swift changes from one scene to another. The five different sets were built by Mr. Robert Hooban and a crew of seniors. Mrs. MacNamara directed the production, which was presented on November 27 and 28.

Tall Story takes place in a small midwestern college town. Custer College's one claim to fame is its basketball star, Ray Blent, who has been bribed to throw the most important game of the season. He purposely fails two exams to become ineligible to play and therefore unable to fix the game. But, he finds out afterwards that this was just what his unknown bribers wanted. Blent's ineligibility brings panic upon the college and brings the basketball team down upon the two professors who flunked him. Because of the amusing complications, as well as a successful production, *Tall Story* was a hit.

"This is Mrs. Soloman. Professor Soloman hasn't come home yet."

Main characters take third curtain call.

Collins, President Nagel, Davis, and Clark discuss the attempt to fix the basketball game.

JUNIOR CLASS OFFICERS: Anthony Capuco, Treasurer; Deidre Blackmore, Vice-President; Sharon Cutler, Secretary; Ted Blackburn, President.

JUNIORS

This year the Class of '66 experienced the hardships and expectations that have always beset juniors. They struggled with the usual junior subjects: American history, American literature, chemistry, and third year language.

As the work poured in and the studies got harder, their thoughts and efforts turned towards college. They took the PSAT in the fall, and in the spring, the National Merit Qualifying Test. To help them make their future plans, the juniors were provided with lectures on a wide assortment of colleges and on vocational opportunities.

The year was not only one of hard work, but also of many enjoyable activities. Early in November the juniors purchased their class rings at the annual ring dinner, which was followed by a dance featuring the "*Avantis*." As Christmas drew near, the juniors put the finishing touches on "One Winter's Night," their prom. With the "*Phaetons*" playing and the juniors swinging, the prom was an event that they will long remember.

"Is it true blondes have more fun?"

SOPHOMORES

"What are streptococci?" "What is the difference between the converse and the inverse?" "What was the date of the French Revolution?" These are only a few of the many questions that have perplexed the "busy" sophomores" who have been faced this year with biology geometry, and world history. The work has become more difficult and the sophomores have been given greater responsibilities, but at the same time they have enjoyed more independence.

Along with the increase in academic work and individual responsibility has come a stronger desire to participate in school activities. At all of the social and athletic functions, the members of the class of '67 have been able to answer loud and strong to the cheerleader's cry of "Sophomores are you with us?" Perhaps the only exception was the February basketball game which coincided with the class dance, "An Evening in Manhattan." Because of the enthusiastic support and hard work of the sophomores, the dance proved to be an overwhelming success.

Thus, for the sophomores the year has been a challenging but enjoyable one. New skills and new experiences have to continue the preparation for the future, begun the year before.

Vice President Dave Walters discusses plans for "An Evening in Manhattan", the class dance, with Secretary Hope Saykay.

FRESHMEN

One never quite knows exactly what high school is like until one becomes a part of it. For most freshmen, high school presents a challenge; it means being at the bottom again, having to work up once more. Academically, as well as socially, high school has an atmosphere much different from that of junior high. The work becomes progressively harder and it is important to make friends and become an active part of the school.

The freshmen started early this year organizing class affairs and joining school activities. They attended games, dances and other activities, collected class dues to help finance their class dance held in February and participated in the annual Sport's Night. By June, freshmen had become a part of North Shore, just as North Shore had become an important part of their lives.

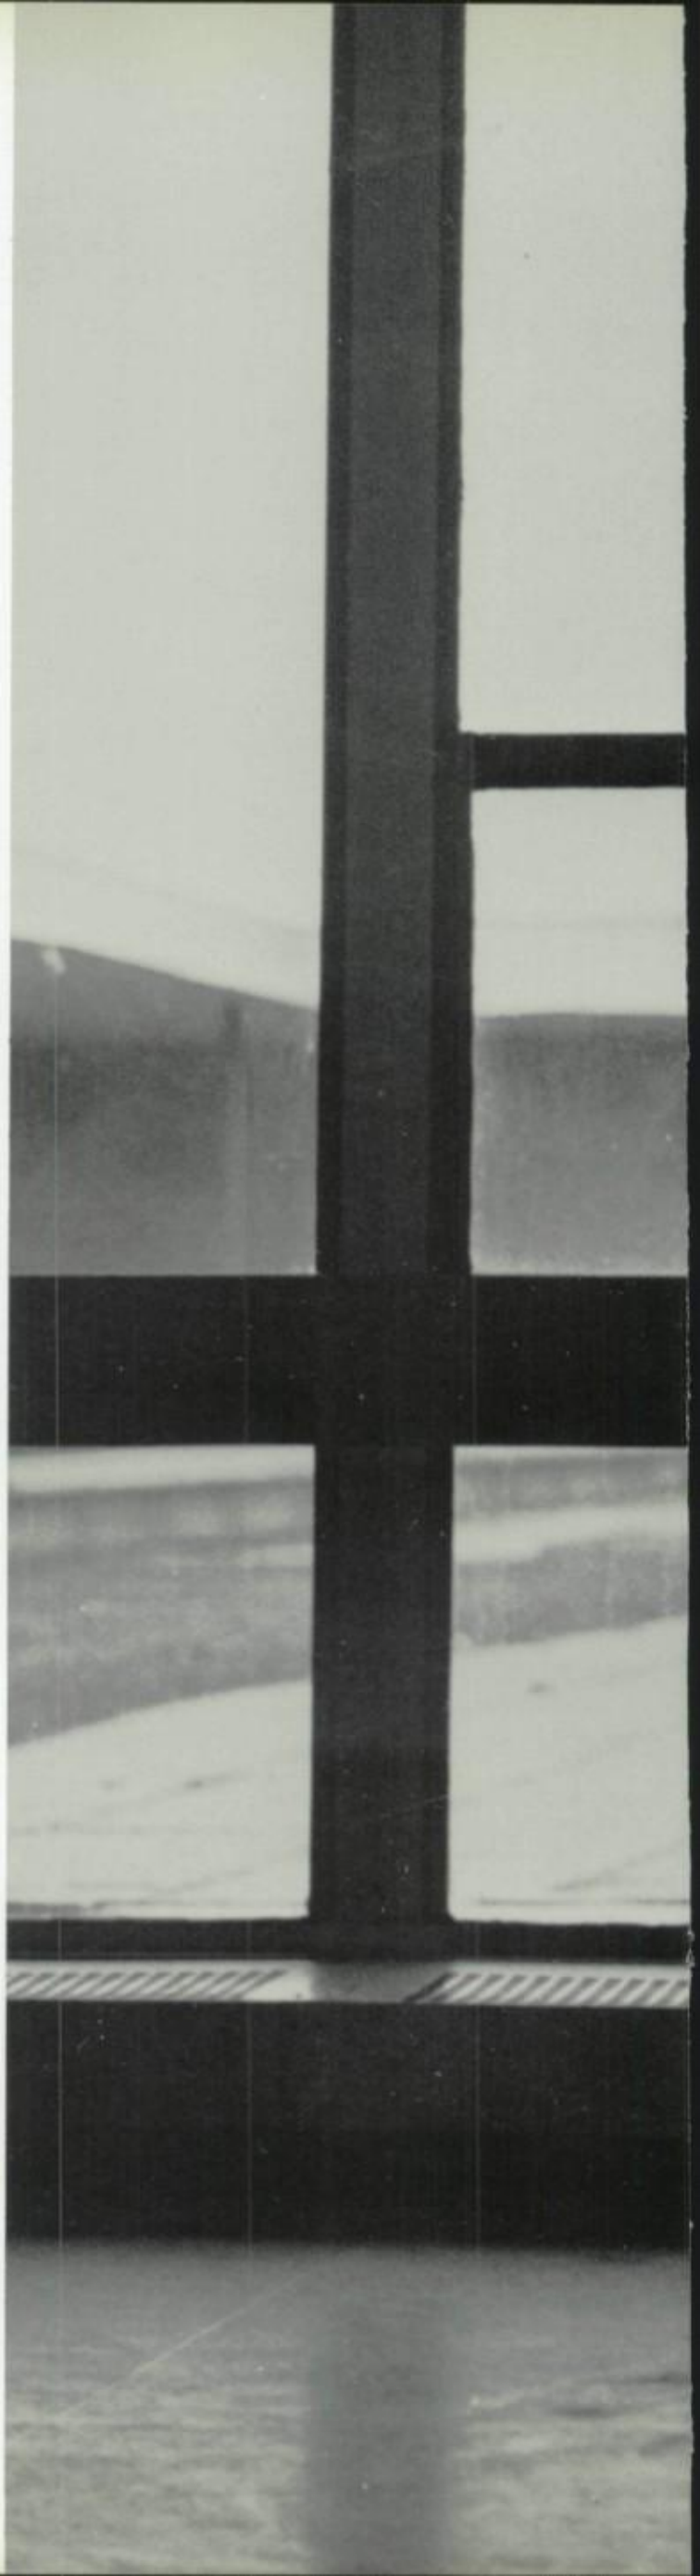
ACTIVITIES

"How beautiful is youth! how bright it gleams
With its illusions, aspirations, dreams!"

Henry Wadsworth Longfellow



GOVERNMENT ORGANIZATION

G.O. OFFICERS: Peter Walczak, Treasurer; Georgette Bartell, Vice President; Patty O'Mitty, Secretary; John Schlessinger, President.

This year the Student Council has been changed to the Government Organization under a new constitution adopted by last year's council. In accordance with the new rules, the G.O. has chartered clubs, formed a meeting schedule, and registered the various clubs.

The Government Organization has sponsored Student Activity Card sales, a clothing and toy drive at Christmas time, The Battle of the Bands, Sport's Night, a charity dance, and the Moving-Up Day Dance. In addition, it has provided buses to all major sports events at other schools.

The Government Organization not only promotes a close relationship between the student body and faculty, but also provides opportunities for representatives of the students to discuss proposals and grievances.

Levine, B. Vicius, F. Cardman, J. Bernstein.

HONOR SOCIETY

The purpose of the National Honor Society is to recognize the outstanding achievements of students in scholarship, leadership, character, and service. The members of the Honor Society have opportunities to extend their contributions to the school and the community.

This year, the members have continued to assist in the guidance department, the main office, and the library. In addition, they maintained a student snack bar, which financed their cultural activities and their Induction Banquet in the spring. As a new service project, the Honor Society members offered to tutor high school and grammar school students.

Susan Hotine and Barbara Moshinsky work at the snack bar after school.

LIBRARY ASSISTANTS. Left to right: STANDING, T. Miles, P. Pickering, E. Simpson, C. Naples, C. Gillen, P. Boston, R. Guyon, C. Thompson, D. Levine, M. Cox, B. Furst, N. Nernoff. SEATED, L. Cook, P. Darcy, E. Johanson.

LIBRARY ASSISTANTS

As a library assistant, a student learns library procedure by helping the school librarians with filing, shelving, and signing out books. These students, under the direction of Miss Phillips, form a valuable service group of North Shore.

STUDENT GUIDES

The thirty members of the Student Guide Service, under the sponsorship of Mrs. Pegrum, volunteer their study hall time to help direct any visitors to the school. Every fall at Back-to-School Night they guide the parents to the various classrooms.

STUDENT GUIDES. Left to right: FIRST ROW, L. Cutler, M. Mirabito, S. Giordano, P. Darcy, J. Pegrum, R. Johnson, E. Ruby, S. Dunn, J. Richter. SECOND ROW, V. Hicks, N. Stack, M. Cox, J. Reid, D. VIKING MASQUERS

"Hard work + ambition = enjoyment + satisfaction" is the key to the success of the Viking Masquers. The group was formed four years ago by director Mr. Mooney to stimulate interest in dramatic art by providing opportunities for students to participate in play productions and to study the theater arts. Since then, they have presented such musicals as *The Boy Friend*, *Bye Bye Birdie*, *Li'l Abner*, and *Redhead*. A favorite Masquer production is the variety show, *Capers*, this year, a topical revue satirizing the political scene.

An important part of the group is the technical staff, which works under the supervision of Mr. Robert Hooban. The crew builds the sets, and supplies the lighting and sound effects that are needed for any of the Viking Masquers' productions.

The great train robbery is discussed by Kris Best and Mike McKean, who were greatly responsible for the script of "Capers '65."

Members of the Viking Masquers rehearse "Push de Button".

The "Interrogation" was one of the high points of Capers '65.

Bruce DeMilt and Allen Lippke portray Thomas Jefferson and Benjamin Franklin.

LIGHT AND SOUND CREW. Left to right: FIRST ROW, B. Sprague, B. Sherwood, N. Svetlovsky, R. Weissman, R. Rice, G. Wildt, C. Patton. SECOND ROW, C. Kalauskas, D. Cahill, T. Cahill, H. Krobath, D. Simm, R. Gallon, J. Klein, C. Newbold, J. Marien, W. Epperhart, B. Patterson.

Kiss Me Kate, the spring musical, was presented on March 12th and 13th, with a matinee on the 13th. A comedy about the hardships of a Shakespearean touring company, the play has three leading female roles, four male leads and a chorus of thirty-two. The two leading players were Kris Best as Fred, and Randy Blaun as Lili.

The show was produced under the expert supervision of Mr. Bruce Mooney. Students worked on the set crew, which was directed by Mr. Robert Hooban, and also on the costume committee, under the supervision of Mr. Dale Chilcoat. Mr. Bennett Lentczner conducted the orchestra.

Mike McKean and Bruce DeMilt rehearse "Brush Up On Your Shakespeare."

A time of contemplation for Kate, Randy Blaun.

"I'm always true to you in my fashion. I'm always true to you in my way."

"Why don't you behave?"

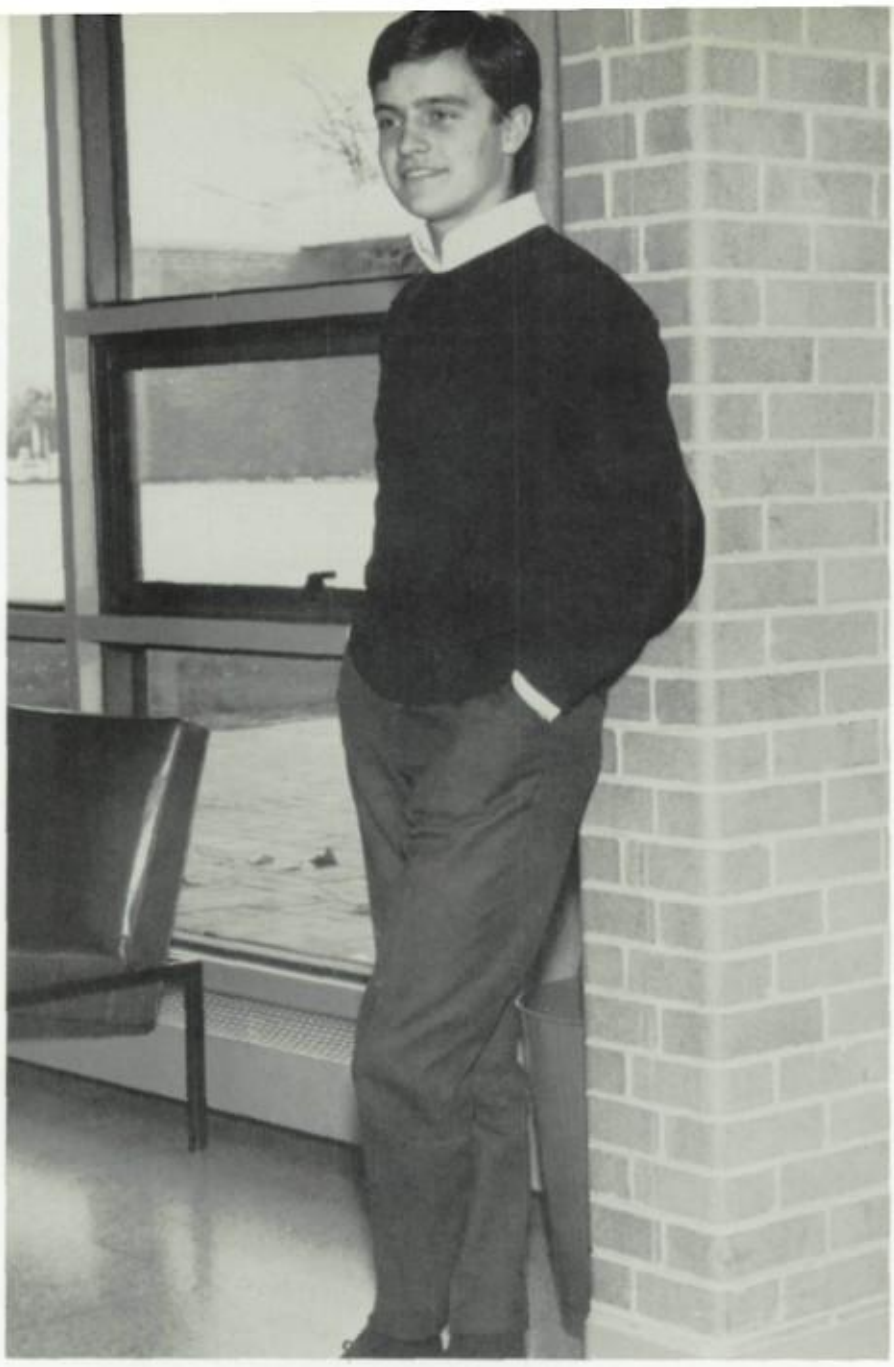
INTERNATIONAL FELLOWSHIP

The International Fellowship is a student exchange program between the United States and South America. Through this program, a North Shore student spends a summer as a guest of some family in a South American country and, in return, is host to a visitor during the winter.

Marta Tobar Terra stands with her American sister, Bonnie Hicks.

This past summer, Bonnie Hicks and Brian Hennessy were guests in Lima, Peru. Here they attended high school and were able to explore many areas of interest, such as the Inca ruins. On January 13, Marta Tobar Terra arrived from Playa Ancha, Valparaiso, Chile, to stay with the Hicks until April. In the beginning of February, Walter Correa arrived from Guayaquil, Ecuador, and lived with the Hennessy family throughout the school year.

Brian Hennessy is host to Walter Correa, International Fellowship exchange student from Ecuador.



GUNNAR LUND

AMERICAN FIELD SERVICE

The American Field Service promotes understanding and good will among the peoples of the world. Through the A.F.S., foreign students spend one year living in an American home, attending an American school, while American students are sent abroad for either three months, under the summer program, or for an entire year.

North Shore has participated in the program for five years. This year, we have been extremely fortunate in having Gunnar Lund of Sweden as our exchange student. Through classroom study and through participation in school activities, Gunnar has been able to get a better understanding of America, and at the same time give us an insight into life abroad.

This year's A.F.S. Committee is made up of a group of students who have made it their aim to make Gunnar Lund feel as much at home as possible. They sponsored a tea in the early fall at which Gunnar was formally introduced to the students and to the community.

ASSEMBLY COMMITTEE

The Assembly Committee, with its sponsor, Mr. Pappas, arranges the assemblies which are presented once each month. This fall Dr. Ethel Alpenfels, a professor at New York University, spoke on anthropology at an assembly for the eleventh and twelfth grades. Later in the year, Ray Heatherton, a radio and television star who is also a professor of American History, spoke to the ninth and tenth grade students. These were only two of the many fine programs which were presented throughout the school year.

LATIN CLUB

For forty-five of North Shore's Latin scholars, the Latin Club, organized by Mr. Matthews, is an enjoyable and worthwhile activity. The main objective of the club is to promote and maintain an interest in Latin and in the Romans and their contributions to our heritage. Last fall, the members held a candy sale to help finance their Christmas party, Saturnalia.

walter - Derek wouldn't be the same without you - it would stop beating on me. Have a great summer + be good. See you from the road!

SPANISH CLUBS

With over one hundred members, the Spanish Club is the largest language club at North Shore. Besides enabling the students to speak Spanish informally, the club provides opportunities for them to get a better view of Spanish speaking countries through lectures, films and slides. Under the supervision of Mrs. Comfort and Miss Nogle, the members held their traditional banquet on December 7, and went on the annual picnic in the spring.

GERMAN CLUB

The German Club, sponsored by Mrs. Lord, is designed to bring students into closer contact with the German heritage as well as with the language itself. On December 17, the club held its annual Christmas party, and this spring they celebrated Faschingsfest. The members also went on a trip to the German section of New York City, where they ate at a German restaurant and saw a German movie.

FRENCH CLUB

The French Club, known to French scholars as "Le Cercle Français", under the supervision of Miss Sedlak, promotes the students' knowledge of French culture and enables them to meet and to converse informally. The members held their annual French dinner in March, saw a French movie, and were entertained with a "folk song fest" presented by the French IV group.

ART CLUB

The Art Club, under the supervision of Mr. Dale Chilcoat, enables all North Shore students to pursue their interests in the field of art. During the year they took a painting trip to the beach, trips to a local artist's studio, and put on several art demonstrations and an all-school art show.

ART SERVICE GROUP

The Art Service Group assists various departments within the school with their art activities. Under the direction of Mr. Dale Chilcoat, the club has presented several small art shows in the lobby and done paintings for the teachers' lounge and the faculty and administration offices. In addition, the students design posters and holiday decorations for the school.

Connie Appel, a member of Mr. Chilcoat's Art Club, enjoys sketching during the trip to the beach.

Members of Mr. Diamond's Art Club work with clay.

This year a new art club was organized by Mr. Diamond to help students who wish to develop their ability in art and to try out different media. Students work informally in areas of their choice and at their own rate of speed.

FUTURE NURSES

Through trips, lectures, panels, films, and selected community activities, the members of the Nurses' Club obtain an insight into the fields of nursing and allied health careers. Under the supervision of Miss Handley, school nurse, the members have explored problems in nursing and gained helpful practical experience.

FUTURE TEACHERS. Left to right: SEATED, D. VanDeusen, J. Reid, J. Sorum, S. Stanco. STANDING, N. Buettner, K. Schoendorf, J. Bromberick, P. Ciri, N. Faisant.

FUTURE TEACHERS

The members of the Future Teachers Club meet once a month with their sponsor, Miss Magistro. During the year, the members gain invaluable experience by observing and helping at the Junior High School. Through speakers and field trips to nearby colleges, the students are able to explore various phases of the teaching field.

OFFICE PRACTICE

Under the direction of Mr. Krawitz, the Office Practice Club performs many valuable services for the various departments, the faculty and the student organizations of the school. Using the knowledge they have gained in class, the members prepare, type, and mimeograph programs, instructional materials, and tickets.

FUTURE HOMEMAKERS

Sponsored by Mrs. Lambert, the Future Homemakers of America Club is open to all students who are interested in becoming better homemakers in the home and community. Although most of the year was devoted to sewing projects, one of the year's special projects was making and selling fruitcakes for the holiday season.

CHEMISTRY CLUB

Students interested in the field of chemistry meet once a month with Mr. Weisman to perform experiments dealing with material that has practical uses in our daily lives. The club has taken several trips to local college laboratories, including the Research Laboratory at Brookhaven.

MATHLETES

"We are the Mathletes. Mathletes are we. We never lose our math ability!" is the chant of the members of the Math Club. Under the direction of Mr. Charles Fenn, the fifteen Mathletes meet once a week to build up their skills in mathematics. They attend six meets a year, competing with other Nassau County Schools. High scoring students are awarded with pins and other prizes at the annual Moving-Up Day Exercises.

SCHUSSBOOMERS

The Ski Club, with over 150 members, is one of the largest and most enthusiastic groups in the school. The club meets approximately twice a month to view ski films and discuss plans for ski trips. Last winter, together with advisor Miss Lorimore, the Schussboomers took three weekend trips to New Hampshire and the Poconos as well as several day trips to nearer slopes.

Schussboomers prepare to "take to the slopes."

A time of relaxation follows a strenuous day of skiing.

Ready, get set, GO!

A wonderful weekend has come to a close.

VIKING VIEW

The *Viking View* is the chronicle of events at North Shore. Whatever goes on in student life is recorded, not only for the information of the students, but also for a permanent record. The *Viking View* is also a journal of opinion, in its editorials, columns, and contributions of letters to the editors. The newspaper trains its staff and editors in the various arts of journalism: news and feature writing, proofreading, dummying, and layout. Often this experience is the springboard for a career in journalism.

TALIESIN

The *Taliesin* editors, together with their new advisor, Mr. Dale Chilcoat, and Mrs. Brill, former advisor, began working on the yearbook early last spring. Since then, with the help of the general staff, they have scheduled pictures, interviewed faculty members, sold advertisements, written copy, and finally organized a 192-page pictorial history of the school year.

Yearbook sales were held for three weeks in November and February. For the first time, books were sold before and after school in the special "Yearbook booth." To promote sales and earn money, the staff held the second annual yearbook dance, "Plymouth Rock", on November 21.

Staff members sell yearbooks at the special booth which was made to encourage sales.

VARSITY BAND

The North Shore Varsity Band has served a double purpose for the past two years. As the Marching Band, under the direction of Mr. Bennett Lentczner, band members put on entertaining half-time shows at all home football games last fall. In October, they participated in the Marching Festival at Hofstra University. The Concert Band, headed by Mr. Theodore Ryder, performed at the various concerts presented by the school, and, as in previous years, competed in the annual State Music Festival.

VARSITY CHORUS

The Varsity Chorus, composed of approximately 160 students, is under the direction of Mr. John Sterling. This group of students sings at the annual Winter and Spring concerts. This spring the chorus performed with the Colgate College Choir at the Scholarship Concert and presented a program at the World's Fair. The Chorus also entered into competition with other schools on Long Island at All State.

FRESHMAN CHORUS

The Freshman Chorus, under the leadership of Mr. John Sterling, is a newly formed choral group composed of more than 100 students. It presented its first program of the year at the Winter Concert and followed this debut with a fine performance at the Spring Concert.

Members of the Freshman chorus get together before rehearsal.

DO MI SOLS

The DoMiSols is a select group of thirty-three girls, conducted by Mr. Sterling. The group performs for numerous school and community activities, as well as in all concert assemblies. Since the girls are provided with many difficult pieces of music, they are able to gain an extensive background in choral singing, and, at the same time, develop their individual talents.

HOARSE NORSEMEN

At 7:30 every Tuesday morning, a select group of twenty North Shore boys meets with Mr. Sterling to sing "everything from Bach to barbershop." The Hoarse Norsemen, perform for such community activities as the Golden Ring and the Rotary Club and at all school concerts.

G.A.A.

Through participation in field hockey, badminton, volleyball, modern dance, basketball, gymnastics, softball or tennis, members of the Girls' Athletic Association develop not only additional skills, but also a deeper sense of good sportsmanship. Under the guidance of Miss Maple and Miss Lorimore, the girls compete with teams from other schools in Nassau, and participate in special "play days."

G.O.C.

In the Girls' Officials Club, with Miss Maple's assistance, girls qualified in athletics are given the opportunity to become well-trained officials and leaders of the G.A.A. program. The members of the G.O.C. officiate at games played by the G.A.A., assist the physical education teachers, and gain a working knowledge of all girls' sports.

Walter,
Well another year has gone by and you another year older.
It's been fun having you in my Art class with me. & and all those nuts.
your a real nice kid and I hope you stay that way and come back next as a Senior,
Have fun this summer and I hope I'll see you sometime from now until next September.

CHEERLEADERS

This group of nine cheerleaders and one Viking mascot, under the direction of Miss Lorimore, has played an important role in leading both our Junior Varsity and Varsity teams to victory. They started the year off with a pep rally, at which each cheerleader taught the student body the new cheers.

TWIRLERS

The Twirlers, under the direction of Mrs. Gallagher, performed along with the Marching Band in the half-time shows at home football games. Through continual practice, the girls were able to display unusually complex routines. As an added attraction, Carol Adler and Cathy Chase put on fire-twirling exhibitions at several of the shows.

VARSITY CLUB

The Varsity Club, organized to promote participation in extracurricular sports, is composed of approximately fifty boys who have received a letter in some varsity sport. Members sell refreshments and programs at all home football and basketball games and together with Mr. Schiffer and Mr. Reardon, assist the athletic directors in formulating school athletic policies. The money earned at sports events is used to buy Varsity Club jackets and sweaters.

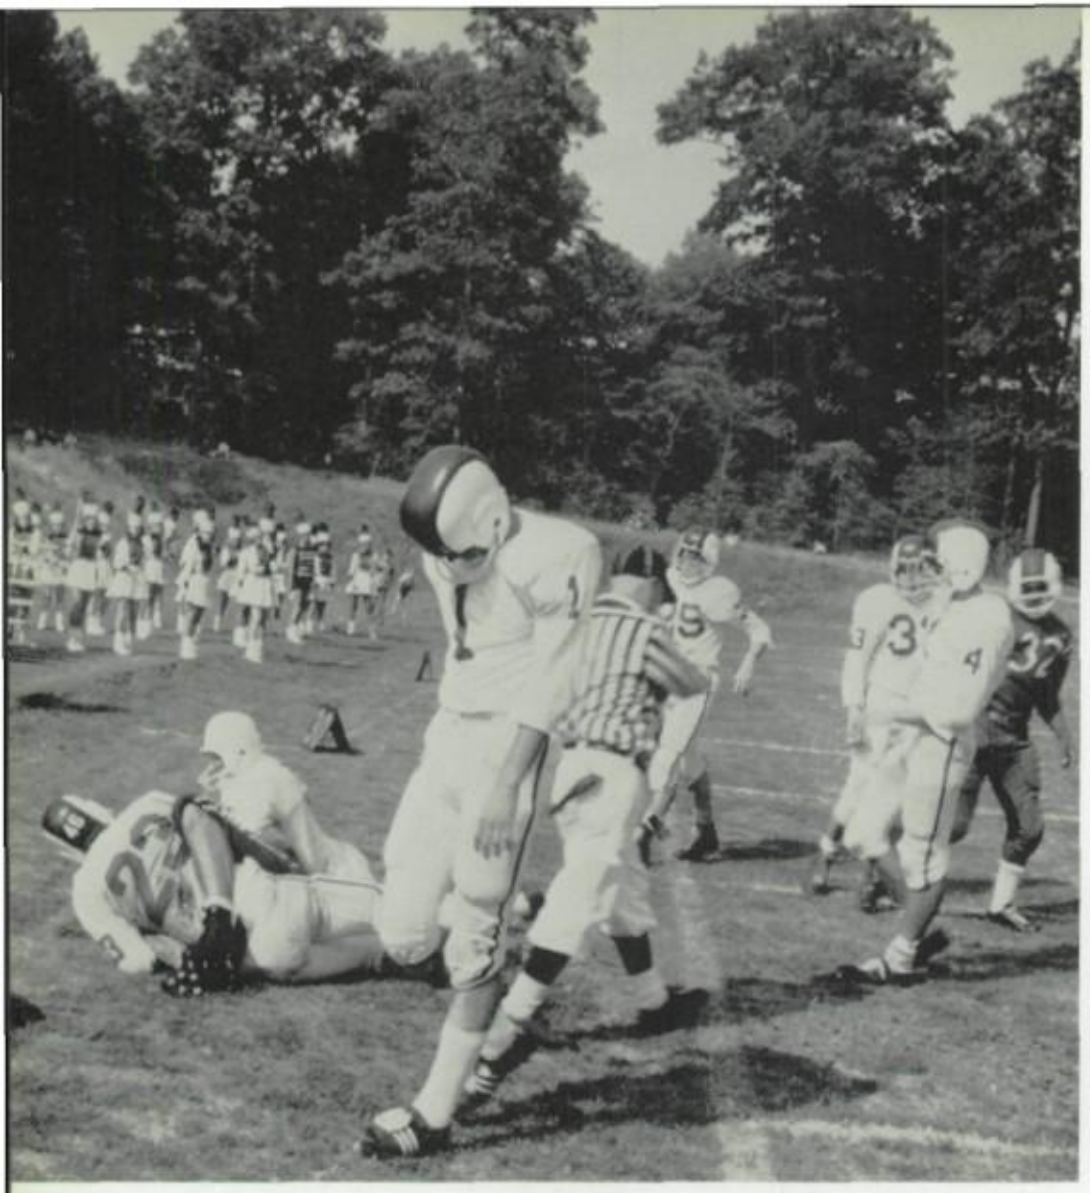
FOOTBALL



John Schlessinger heads for the bench.

The North Shore Varsity Football Team, under Coach John Reardon, finished its 1964 season with one win and seven losses. Although the squad had an unsuccessful year on the gridiron, several lettermen did perform outstandingly. Co-Captain Peter Tozer was chosen "All-Scholastic Fullback" and was named as the Vikings' "Most Valuable Player", and Tony Cassano won the "Lineman of the Year" Award. The Junior Varsity team, coached by George Meyer, enjoyed a 6-win, 2-loss record.

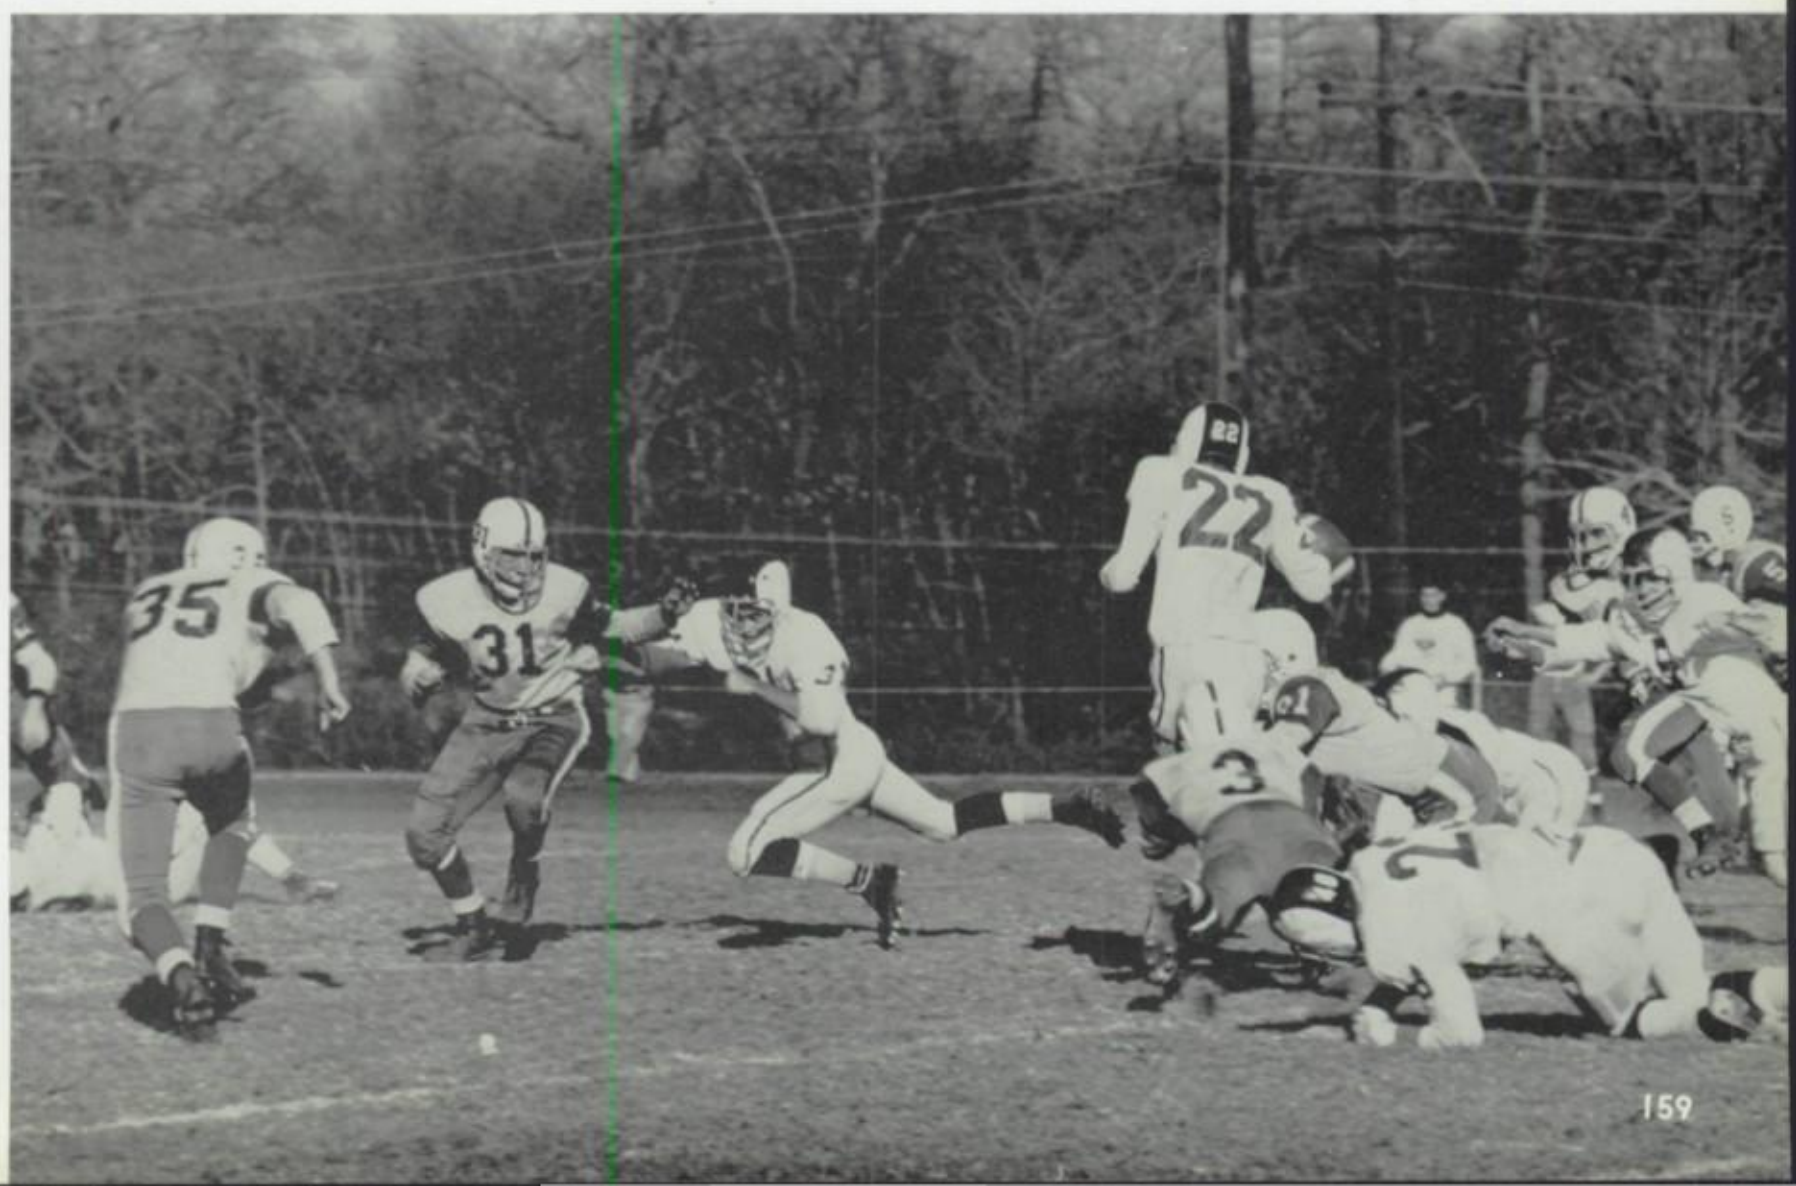
Paul Kelley blocks for fellow Viking.



David Schwartz prepares to return a serve.

TENNIS

In its first losing season, the North Shore Varsity Tennis Team, under the direction of Coach Robert Barna, ended up with a disappointing two win and eight loss record. However, David Schwartz and Marc Schwartz each won eight singles matches losing only to Roslyn, the league champs. Captain David Schwartz was given the "Most Valuable Player" Award.

CROSS COUNTRY

The achievement of the Cross Country Team was disappointing with a one win and six loss record. Yet, Coach Don Thompson said, "What is important is that everyone has improved," and that good junior and sophomore runners are coming up for next year. Steve Leggett and Fred Mayer, both juniors, were recognized as the team's "Most Improved" and "Most Valuable" runners.

SOCCER

"The potential of the 1964 Varsity Soccer Team never materialized," according to Head Coach Sam Schiffer. The season ended with four wins, nine losses and two ties. Co-Captain and all-county fullback Greg Sterling was nominated North Shore's "Most Valuable Soccer Player." The Junior Varsity squad finished with a highly successful 11-2-1 record, losing only to Great Neck North and Herricks.

BOWLING

The North Shore Varsity Bowling Team, division champions during the 1963-64 season, was coached by Mr. O'Connor. After losing the first two matches, the bowlers defeated Manhasset and gained possession of third place. The team was led by Mike Landa, Keith Sommer, John Gregg, and Dave Fucito.

BASKETBALL

Coach Phil Bergovoy had looked forward to a more successful season for his Varsity Basketball team, but numerous injuries hampered his hopes. However, several players did spark the Vikings on to victory. Co-captain Larry Mullan was high scorer and the "backbone" of the team. Also excelling on offense were co-captain Greg Sterling and John McNulty. Always an asset to the team was Pete Tozer on defense.

Most of North Shore's decisive games were determined by a few points. In a thriller at Roslyn, the Vikings lost their first league game 43 to 40. However, the "Maroon and White" bounced back to beat Glen Cove (68 to 59) and nip Bethpage 58 to 57. In two hotly contested non-league games, North Shore bowed to Wheatley 57 to 56 and to Herricks 63 to 62. On February 19, the student body was proud to watch the second trouncing of Glen Cove with a score of 86-59.

The Junior Varsity squad, under Coach George Meyer, had a disappointing season, but the boys did show much improvement, and are looking forward to next year.

GYMNASTICS

This year's new sport, Gymnastics, got its start in early 1964 as an experiment of the Physical Education Department. Coach Dennis Riordan hopes to maintain a permanent gymnastic team if enough boys are interested. However, he says, "There's not one freshman out here to fill the ranks."

INDOOR TRACK

This year saw the largest Indoor Track Team in North Shore history. A League was formed, and the first Indoor League meet was held at North Shore with three new records set by Kevin Jones, Jeff Hollman, and Bruce Hackert. The team tied its first meet against Syosset and went on to beat Bethpage.

WRESTLING. Left to right: KNEELING, E. Douglas, W. Cook, M. Yee, L. Grayson, D. Bailey, R. Ranno, J. DiGiovani, J. Klein. STANDING, Mr. Wadsworth, B. Pointe, B. Bergmann, G. DePersia, J. Baiata, D. Behrman, D. Krasinski, K. Krasinski, D. Bonar, T. Cook, J. Waltz, R. Cohen.

WRESTLING

Coach Wadsworth was gratified with this season's Varsity Wrestling Team, which boasted a five win, three loss league record. Overall, Captain Lee Grayson lost two matches out of thirteen, while Bob Cohen lost only one. Although the main weakness was in the heavyweight classes, the Grapplers did prove to be successful in a tough league.

GOLF

The Varsity Golf Team under the supervision of Coach Robert Barna were strong contenders for first place this season. The "men of iron" were ably led by Captain Jared March, the only player from the 1963 team, which won the Section VIII County Championship. Behind him, in the number two position was Bob Coope, a member of last year's Varsity squad. Backed up by some new and strong juniors and sophomores, the golfers had "another crack" at the championship.

TRACK

This year's Varsity Track Team was made up of many returning lettermen. With such seniors as Jeff Hollman in the hurdles, Bruce Hackert in the high jump, and Larry Mullan and Greg Sterling in the shot put, Coach Donald Thompson enjoyed a successful season. Additional point-getters were Brian Hennessey, Brian Patterson, Jeff Watkins, and Peter Walczak in the running events.

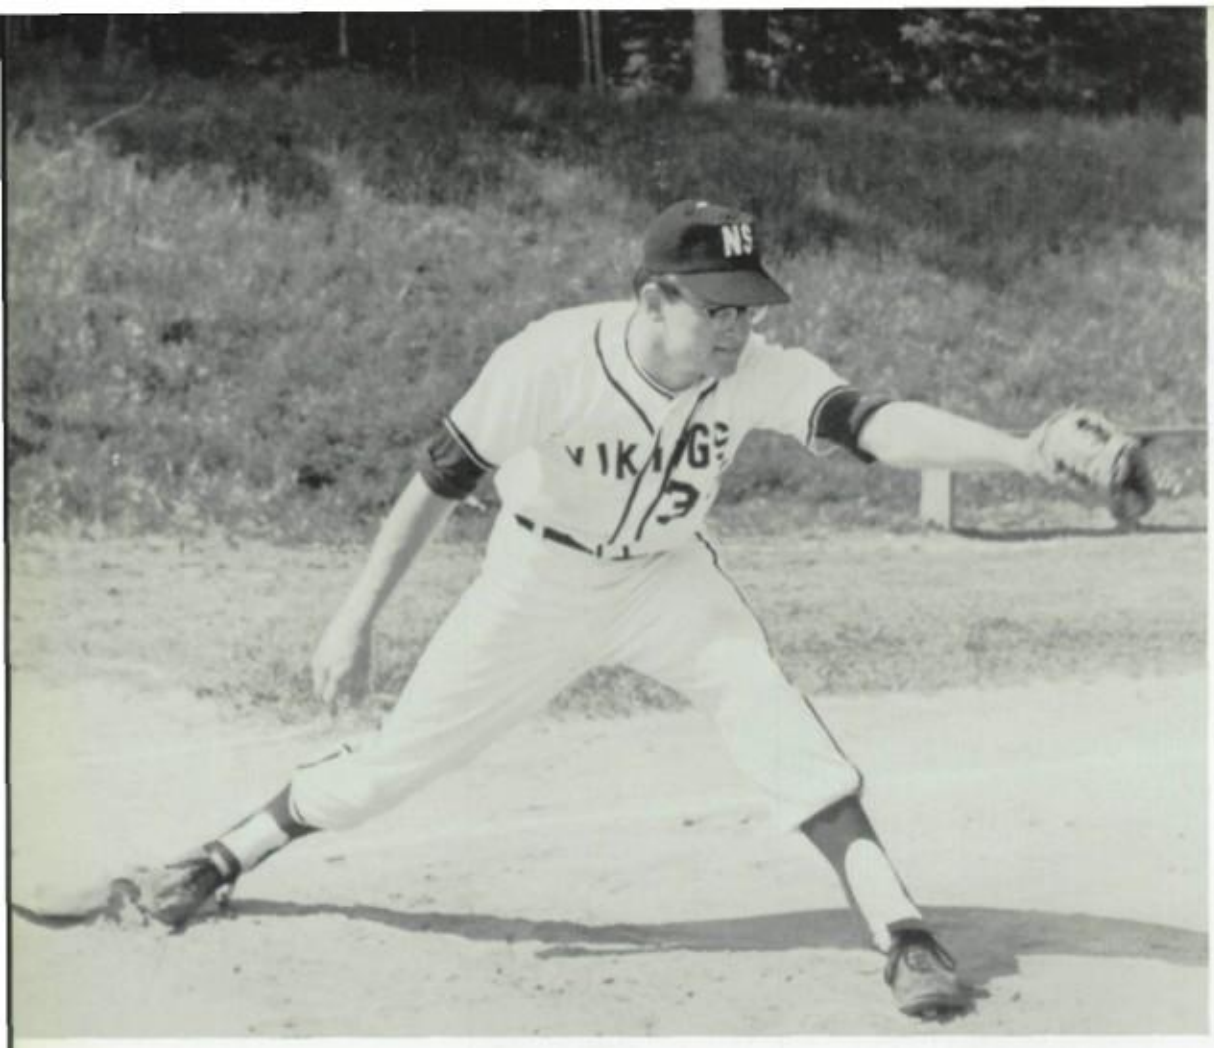
Pete Johnson, Angus Lumsden, and Brian Patterson run the mile.

Greg Sterling "puts the shot."



Matt Tozer makes the final out.

BASEBALL

Since most of last year's Varsity Baseball Team had graduated, Coach Ray Conlin depended greatly on the few returning senior players and the new underclassmen. The "North Shore Nine" were led on to victory by southpaw Pete Tozer and other hurlers, Marty Hansen and John McNulty. As in previous years, the team was a strong contender in Division III.

ALMA MATER

From hills o'er the water blue
Our voices we raise,
Forever to honor you
With echoes of praise

We promise and pledge to you
Respect as your right,
We'll ever be proud and true
Defenders of Maroon and White

We'll strive to make our traditions last
And linger through the years,
We'll e'er maintain the good fellowship
That we're enjoying here

We'll cherish fond memories
We'll honor you forevermore,
Our love for you will endure
Our Alma Mater, fair North Shore

Well -
To my friendly
neighbor - Best of
luck in all you do - I'll
probably see you in Math
next year, I doubt that I'll miss
you over the summer.
Love Pat

Walt
"You Love #1"
So good luck
next year.

Ernie

Walt,
To one of my
Pet Peeves in
Math! (Your turned
a good ~~good~~ kid!)
See you next year
God forbid in our 11th
year Subject!!!

Love,
Cathy

Walter,
Well, it took
us awhile in
French but I think
we finally made it
(I Hope) Don't Bregret Miss
Sedlacek dirty jokes!
Have a great summer
and see ya next year.
